

ABOUT

## 2 Drum Bunded Spill Pallet

The 2 Drum 205L Bunded Spill Pallet is designed to fit two x 205L drums. The one piece moulded units have removable grates for easy cleaning. The bund features a large 220 litre sump capacity, ensuring compliance with environmental compliance regulations. It also features easy forklift access points for easy portability.

### FEATURES

- 220 litre sump capacity complies with Australian regulations
- Forklift spaces compatible with most fork lifts and pallet trucks for easy manoeuvring.
- Lightweight, tough and durable polyethylene construction
- Superior chemical resistance
- Low working height provides ease of access
- Dimensions: 1350 x 700 x 450mm
